Number of rolls of synthetic turf	1

### Contents of boxes:

- } Base units numbered 1 – 35
- } 3 cups
- } 3 hole marker flags
- } 1 bag containing dowel pins

### Assembly instructions:

1. Remove base panels from boxes
2. If possible, unwrap and unroll synthetic turf surface.
3. Per attached piece diagram, place base pieces in numbered order.
4. To attach base pieces together, start with panel piece #1  
Lay panel piece #2 next to #1 align pin hole and place dowel pins in each hole.  
Continue with pieces #3-5

- Insert piece #6 under #1 align holes and drop in dowel pins and continue to #10.  
Proceed with pieces #11 - #15  
Proceed with pieces #16 - #20  
Proceed with pieces #21 - # 25  
Proceed with Pieces #26 - #30

Proceed with Pieces #31 - #35

5. Next, place synthetic turf on top of base units making sure that the holes in the turf align with the holes in the base unit.

6. Place cups into putting green.

7. Place pins into cups and enjoy!

**\*Note that the fringe material will stand up straighter over time.**
